14. Deadline and place of delivery: OIV will allow taking over the equipment as follows:

Collecting of equipment is possible at the location of the object where the equipment is located. OIV will make a partial dismantling of the devices in the object, which means discharging the antifreeze, disconnecting from the power supply, disconnecting from the antenna system, cooling system pipes, lowering the heat exchanger from the wall brackets to the floor where the equipment can be taken. Removal (taking out, loading) of equipment is organized by customer under the supervision of OIV employees.

- in case of entire delivery of equipment, OIV, in agreement with customer, will make a partial dismantling of devices and enable the takeover of equipment during April 2021 at all objects.
- OIV may also enable the partial delivery of equipment before the specified deadline, April 2021, depending on OIV capabilities and on the agreement with customer.

REMARK:

- access roads to the facilities Ivanščica, Mirkovica, Psunj and Papuk are not paved through the forest
- at the Šipan object, due to difficult access to the object, only manual carrying of equipment is possible.

15. Upon taking over the authorized person, the Seller and the Bidder will sign the handover Record.

16. All obligations of the selected Bidder and Seller will be regulated by the contract.

17. The Seller reserves the right to cancel this procedure at any time, or not to select any bid, all without any obligations or fees of any kind to the Bidders.

For an inspection of the equipment and for all inquiries, feel free to contact us.
